Salon

As you enter the salon from the large aft deck, through the custom built stainless steel automatic sliding doors, you will find an elegant and stylish lounge for entertaining guests. Generous seating includes 2 large custom sofas, 2 armchairs and 2 custom designed cocktail tables, power drapes and a large coffer ceiling that is illuminated by a custom etched glass. The entertainment center that separates the salon from the formal dining room includes a pop up 50" LCD TV, Kaleidescape movie on demand system, tuner/amplifier and Satellite Receiver. Custom carpeting and slab marble flooring are abound throughout.

Dining

Just mid-ship is a custom inlay mahogany dining table capable of seating 12 guests, complemented by superb Sapele and Pomele woodwork and buffet for storage of china, crystal

and stemware. Throughout both the salon and dining area, custom crown molding accentuates the other woodwork and moldings in the ceiling and custom powered drapes. A beautiful French Gold Finish and White Murano Glass chandelier hangs central over the dining table. An automatic door is conveniently located between the dining room and the galley. A camera monitor in the galley allows crew to anticipate the guests' dining needs without disturbing them.

Galley

The entrance from the dining room to the galley through an automatic door is just to port via a hidden switch located at ankle level. As you enter the butler's pantry you will find on your right an ice machine and dishwasher, just across the portside access from midship. All appliances in the galley are commercial stainless steel appliances including (1) large 4 door refrigerator, (1) large 3 door freezer, trash compactor, steamer oven, dishwashers, commercial 6 burner c/w griddle, (1) convection oven, (1) regular oven range and a microwave. A wood floor brings out the silver cabinets and the granite counter tops. To keep the chef happy, a complete entertainment system with LCD TV, DVD, CD and radio is provided. The large pantry gives plenty of storage for all your dry goods. An island is conveniently located in the center of the galley with plenty of storage for all kitchen appliances.

Features

A large Subzero wine cooler is located outside the galley in the main foyer.

Master Stateroom

The on deck master suite is designed with elegance and comfort in mind. At the entrance you will find a built-in entertainment system, 46" lcd tv, kaleidescape system, tuner/amplifier, satellite receiver, subzero 2 drawer refreshment center and a comfortable seating area for you to privately enjoy your movie on demand system . As you walk into the master stateroom the king size bed is set in the center of the room with dressers and a vanity on port. A full entertainment system is hidden with another 46" lcd tv in the cabinetry opposite of the bed. As you pass thru the stateroom to the port side and next to the vanity you will find a large walk in cedar lined closet for his and hers clothing with plenty of storage and drawers. There are also custom powered drapes located in master suite.

Forward of the bed are his and hers onyx lined bathrooms; his with multi head shower and steamer, LCD/TV mirror, and hers with a large Jacuzzi tub and LCD/TV mirror. There is also an art glass divider lined with onyx between his/hers baths for privacy. The custom slab marble and granite flooring along with the granite countertops display the taste of elegance. Gorgeous pleated shades are the window treatments of choice

Aft deck

Boarding this yacht has been made easy by the 20' Besenzoni Electronic tide rider Passarelle and the Marquipt tide rider either midship or aft deck boarding stairs. The main aft deck has plenty of seating with one large hi/lo custom teak settee table that a leaf could be removed and the dining table could convert into a cocktail table. Also, here you will find a beautiful teak and granite refreshment bar complete with ice maker, (2) refrigerators, teppanyaki grill, a flip down 46" LCD TV and custom teak coffered ceiling with built in air conditioning to keep you cool while enjoying a drink and grilled snacks during the day.

Accommodations

12 In Owners party in 6 staterooms:

1 Full beam Master on main deck

1 VIP/Captain on Sky Lounge deck, 1 large office on Sky Lounge deck

4 Guest rooms lower deck, 3 Queens and 1 set of Twins

5 Cabins for up to 10 crew

Guest Stateroom

Descending the main foyer stairwell to the lower foyer, you will have access to four large guest staterooms. Three staterooms feature queen-size beds, and one guest room with two twin beds. Every stateroom has built in entertainment systems with Kaleidescape movie on demand, a beautifully appointed en suite bath with slab marble and granite counter tops, and marble lined showers or tubs for guest's comfort. The lower foyer also includes a refreshment bar with a Subzero two drawer refrigerator and icemaker.

VIP Stateroom

The VIP/Captain stateroom located on the sky lounge features a full-size bed. This stateroom has a beautifully appointed en suite bath with shower, complete entertainment system, cedarlined walk in closet, a dressing area and work desk. This stateroom has the best view ever with a large window overlooking port side.

Pilothouse

The spacious pilothouse includes a leather settee, mahogany inlay table, teak and maple flooring, a captain's navigation work desk, chart flat and drawers, (2) Stidd captain's chairs and plenty of storage behind Pomele and Sapele raised panel doors. A large coffered oval ceiling with fiber optic star lighting sets the mood for navigating under the stars at night with the state of the art electronics.

Crew Lounge

Comfortable crew lounge with leather seating and large table to accomodate 8 crew. You will also find refrigerator/freezer and LCD TV/DVD, CD/Radio, satellite receiver, and Kaleidescape movie on demand system.

Crew Quarters

Entrance to the crew quarters and lounge is through the galley. Crew quarters also has an entrance/exit to lower guest staterooms for easy access to service the bedding and laundry. All crew quarters have LCD TV/DVDs and satellite receivers.

Laundry Room

Two full size washers and dryers with large Ironing area are also conveniently located in the crew quarters.

Skylounge

Up beautifully lighted winding marble stairs from the main deck level is the sky lounge foyer with access to another day head, pilothouse, VIP stateroom, skylounge area and office. Two leather sofas and leather chairs along with a reversible card table compliment a magnificent granite bar with four leather custom bar stools. The entertainment center includes 60" LCD TV, Kaleidescape movie on demand, receiver-amplifier and satellite receiver and custom powered drapes.

Just forward of the skylounge, port side, you will find a large beautifully appointed master office with sapele pomelle wainscoting inlays and a large window for the owner to enjoy the beautiful ocean view from his desk while staying in contact with family and business partners.

Flybridge

The vessel's resort "Fun Deck" as we all call it at Richmond Yachts has a half-moon shaped bar equipped with refrigerator and ice maker with 5 comfortable bar stools under the arch section. Forward is a large heated oval Jacuzzi tub with lounging sun pads on either side. An air conditioned day head is conveniently located for all guests.

Located aft is Richmond's first "touch and go" helicopter pad. Forward are two large seating areas with teak tables. Covered by the arch is a 46' LCD/TV situated starboard side. The TV is fully remote controlled with Kaleidescape movie on demand and can display all ship systems, radar displays, chart plotter, DVD or Satellite TV with full surround sound.

Water Sports

There is a dive compressor and dive tank storage in the lazarette. On the skylounge aft deck you will find space to accommodate the 18 foot tender along with the dining table and BBQ grill.

Engine /Mechanical Equipment

Twin DDC/MTU Marine Engines. Each engine is rated max 2000 hp at the flywheel with ZF or equal gears. Final gear sizing to be per propeller manufacturer and N.A. recommendations. Each engine is furnished with the chrome package. Gears shall have trolling valves to reduce engine speed in confined spaces. Engines shall have the standard manufacturer's warranty.

Equipment listing - Aft Machinery space and Engine Room

Aft Swimgrid storage lockers:

Wet suit locker

Portable scuba compressor

Back-up air compressor

Sundeck

Located skylounge aft, exiting through a custom stainless automatic sliding door, you will find an elegant 11' x 5" custom built teak dining table capable of seating 12 guests and a refreshment bar area. A 46" LCD/TV, Kaleidescape movie on demand system, tuner amplifier surround sound system and satellite receiver will keep guests entertained while having dinner or a big social gathering. A custom teak coffered ceiling was also added on the sundeck with built in air conditioning to keep you cool while dining on hot evenings.

Helicopter Pad

On the flybridge, you will find that Richmond Yachts has an adapted new feature to this exquisite 150'. They added a "touch and go" helicopter deck for a Eurocopter EC120. The bonus is that you can welcome all your guests in style. Full Tie down capability has also been added to secure the helicopter.
